### NOTES:

Member is responsible for all out-of-pocket expenses.

Testing is based on availability and services are subject to a test fee of \$1,500 (CAD \$1,800) or \$500 (CAD \$600) for QuickShip technology delivered to your site.

PC seats can also be substituted for Intel server(s) and tape drive(s).

Technology provided is based on availability and is not offered as brand specific.

Other options are available. Please contact Client Services at 866.364.9696 or [clientservices@agilityrecovery.com](mailto:clientservices@agilityrecovery.com) for more information.
